This does not apply if legal provisions prevent erasure or further storage is necessary for evidentiary purposes or if you have consented to longer storage.

If you do not delete your personal account in the Hannover Re application portal, your personal data will remain stored in your application profile for twenty-four months from the last change or activity, provided your application status is not active. If you neither change your data nor apply for another position at Hannover Re within these twenty-four months and your application status is not active, your application profile will be automatically deleted after this period in addition to your personal account in the portal. In this case, only anonymised data will remain on the portal.
